KAIFENG

Synthetic Polymer Teeth

Delivery forms:

- 16 A-D shades
- 15 upper anterior moulds
- 10 lower anterior moulds
- 8 posterior moulds

1*6/card for anterior
16 cards/box

1*8/card for posterior
12 cards/box

1*28/set for full set
4 sets/box

Advantages :

- Improved wear resistance
- Excellent shade stability
- Minimum water absorption

CE ISO13485:2003
0120 FDA cleared for marketing
